MEDICINAL.

Many a man would better go without lunch at all than eat the hurried lunch which forms the noon-day meal of many a business man. Hasty eating, foods hard to digest, and no time allowed for digestion are the cause of many a case of stomach "trouble."

Disease of the stomach seriously threatens the health of the whole body and should be promptly cured. Dr. Pierce's Golden Medical Discovery cures diseases of the stomach and other organs of digestion and nutrition. It enables the perfect assimilation of food and the proper nutrition of the body on which physical strength depends.

"Nine or ten years ago my health became very poor, and in 1894 was so far gone that good doctors pronounced my case the worst they had ever treated," writes Mr. Harvey Phipps, of Florence, Ala. "I had acute stomach trouble, liver complaint, catarrh and was nervous to such an extent I could not sleep. I finally got three bottles of Dr. Pierce's Golden Medical Discovery and some 'pellets.' Took them according to directions on the bottles, and in a few days noticed a decided improvement. I commenced to get more rest at night and could eat with pleasure, where formerly food was like chips to me. When I had used three bottles of the medicine, I was a new man; could eat and sleep until seven A. M. I am now working at my trade (carpentry), every day in all kinds of weather, and think if I had not taken your medicine I would now be under the soil."

Dr. Pierce's Pleasant Pellets cleanse the clogged system from accumulated impurities.

Sour Stomach

No appetite, loss of strength, nervousness, headache, constipation, bad breath, general debility, sour risings, and catarrh of the stomach are all due to indigestion. Kodol cures indigestion. This new discovery represents the natural juices of digestion as they exist in a healthy stomach, combined with the greatest known tonic and reconstructive properties. Kodol Dyspepsia Cure does not only cure indigestion and dyspepsia, but this famous remedy cures all stomach troubles by cleansing, purifying, sweetening and strengthening the mucous membrane lining the stomach.

Danderine

GREW THIS HAIR.

THREE WELL KNOWN YOUNG LADIES WHO ARE RECEIVING WONDERFUL RESULTS FROM THE USE OF DANDERINE.

KNOWLTON DANDERINE CO., Chicago, Ill.

Dear Sirs—Two of my girl friends and myself have been using your Danderine for several months. We all commenced using it about the same time, and we are seeing which of us can grow the longest hair. For a month we used it once a day, after that twice a day, and now it is fully seventeen inches longer. It seems the longer it gets the faster it grows. Are we using it to the very best advantage? Kindly answer at once.

Respectfully, Ruth Hardy, 91 So. 4th Ave., Chicago.

We here show photographs of three young ladies who are having a hair-growing race, the loser to pay for all the tonic used. There is also another agreement entering into the wager (upon which we are not fully informed) concerning matrimony. We will try and show their photographs again when the contest is closed.

Nearly Every Lady in the City of Chicago Uses Danderine

and if you will look at the wealth of luxuriant and beautiful hair exhibited in the above photographs you will see the reason for it. It is the only remedy ever discovered that will make hair grow and stop it from falling out (we back that statement with Five Thousand Dollars). Chicago, St. Louis, Kansas City, New York and Boston dealers are now buying it by the car load in order to supply the tremendous demand, which its unbounded merit has created. Pretty substantial proof of merit, is it not? Be sure you get the genuine, made only by the Knowlton Danderine Co., Chicago.

NOW at all druggists in three sizes, 25c., 50c. and \$1.00 per bottle.

FREE

To show how quickly Danderine acts we will send a large sample free by return mail to anyone who sends this advertisement to the KNOWLTON DANDERINE CO., CHICAGO, with their name and address and to cents in silver or stamps to pay postage.

Better than a Plaster.

A piece of flannel dampened with Chamberlain's Pain Balm and bound on the affected parts, is better than a plaster for a lame back and for pains in the side or chest. Pain Balm has no superior as a liniment for the relief of deep seated, muscular and rheumatic pains. For sale by Richard Gibson.

The Lone Star State.

Down in Texas at Yoakum, is a big dry goods firm of which Mr. J. M. Haller is the head. Mr. Haller on one of his trips East to buy goods said to a friend who was with him in the palace car, "Here, take one of these Little Early Risers upon retiring and you will be up early in the morning feeling good." For the "dark brown" taste, headache and the long feeling DeWitt's Little Early Risers are the best pills to use. Sold by all druggists.

Bodily pain loses its terror if you've a bottle of Dr. Thomas' Electric Oil in the house. Instant relief in cases of burns, cuts, sprains, accidents of any sort.

FOR OVER SIXTY YEARS

AN OLD AND WELL-TRIED REMEDY.—Mrs. Winslow's Soothing Syrup has been used for over sixty years by millions of mothers for their children while teething, with perfect success. It soothes the child, softens the gums, allays all pain, cures wind colic and is the best remedy for Diarrhoea. Is pleasant to the taste. Sold by druggists in every part of the world. Twenty-five cents a bottle. Its value is incalculable. Be sure and ask for Mrs. Winslow's Soothing Syrup and take no other kind.

In reply to inquiries we have pleasure in announcing that Ely's Liquid Cream Balm is like the solid preparation of that admirable remedy in that it cleanses and heals membrane affected by nasal catarrh. There is no drying or sneezing. The Liquid Cream Balm is adapted to use by patients who have trouble in inhaling through the nose and prefer spraying. The price, including spraying tube, is 75 cents. Sold by druggists or mailed by Ely Brothers, 56 Warren St., New York.

Materials fancy, waisting wool, crash, mohair, madras, poplin and sateen. The finer Waists came one in a box all ready for Christmas. It is a credit to the Union Novelty people that we have this news to tell—a credit to their energy, their progressiveness, their strenuous ways. They have one of the largest waist factories in the country—340 machines or so. They have made their trade mark as valuable to their product as sterling is to silver. They work full steam in dull times or bustling times, making waists the best they know how, not bothering about selling them. This policy is their success. Now and again they over-produce, but what of that? Forget the loss and begin again, they say. The 240 waists are an over-production this year. Their machines are working on spring orders and they want these out of the way.
